

LEARN TO LINO CUT PRINTMAKING WORKSHOP

\$30

(INCLUDES
ALL SUPPLIES)

WITH ARTIST CHRIS PLUMMER

SATURDAY, AUGUST 11 | 1-4PM | LOBBY OF FIELD & MAIN BANK

Questions & Registration Info: jordyn@ohiovalleyart.org

Registration Deadline: **August 3, 2018**

Workshop attendees can bring their own drawing to transfer or will be able to choose from provided images.

Chris will be teaching you the art of transferring the drawing to the block and how to carve the image out. Each person will leave with a 2-3 color linocut print.

WHAT IS LINO CUT PRINTING?

Linocut is a printmaking technique - a variant of woodcut in which a sheet of Lino is used for the relief surface. A design is cut into the Lino surface with a sharp knife, V-shaped chisel or gouge, with the raised (uncarved) areas representing a reversal (mirror image) of the parts to show printed.
